

THE BERLIN REDOX SESSIONS

Common meeting of the SPP1710 and the Study Group Redox Biology of the GBM

26.-28.9.2018

Venue

Institute for Microbiology and Plant physiology,
Königin-Luise-Straße 12-16, Freie Universität Berlin

Sessions on:

- Chemical basis of redox biology
- Computational and systems redox biology
- Microbial redox signalling
- Redox regulation of cellular metabolism
- Redox signalling in eukaryotes
- Redox biology in health, disease, ageing and senescence

Confirmed speakers:

- Sofia Arnaouteli, Dundee
- Ruma Bannerjee, Ann Arbor
- Uli Brandt, Nijmegen
- Agnieszka Bronowska, Newcastle
- Agnieszka Chacinska, Warsaw
- Jean Francois Collet, Brussels
- Elke Krüger, Greifswald
- Peter Nagy, Budapest
- Markus Wirtz, Heidelberg
- Ulrike Zentgraf, Tübingen
- Arturo Zychlinsky, Berlin
