

Dynamic protein localization

in cellular organization

September 28/29, 2026

Cologne, Germany

reloc

study group
cellular organelles

GBM

Venue

Department of Physics
University of Cologne
Zuelpicher Str. 77
50937 Cologne

Speakers

Alina Guna University of California San Francisco

Stefan Kubicek CeMM Research Center for Molecular Medicine

Katharina Höfer Marburg University

Agnieszka Chacinska IMOL Warsaw

Sebastian Schuck Heidelberg

Mingjie Zhang Hongkong University of Science and Technology

Swasti Raychaudhuri CSIR-Centre for Cellular and Molecular Biology

and more selected from abstracts

Conference participation is free of charge. Program & registration: grk2550.uni-koeln.de
